of the Successor Agency to the South Pasadena CRA

MEETING DATE: April 10, 2013

FROM: Hilary Straus, Assistant Executive Director
Lucy Kbjian, Executive Assistant to City Manager 

SUBJECT: **Resolution Authorizing Transfer of Property Located at Mound and El Centro from the Successor Agency to the City of South Pasadena as an Asset Constructed and Used for a Governmental Purpose**

Recommendation:

It is recommended that the Oversight Board approve a resolution authorizing the transfer of property located at Mound and El Centro, Assessor's Parcel Number 5315-003-901 (Property), from the Successor Agency to the City of South Pasadena as an asset constructed and used for a governmental purpose pursuant to Health and Safety Code Section 34181(a).

Background:

Assembly Bill No. 26 of the first extraordinary session of 2011, relating to redevelopment dissolution, (ABX1 26) was adopted, dissolving redevelopment agencies throughout the state. The bill created successor agencies and directed them to transfer housing assets to the appropriate authority operating in the former redevelopment agency's jurisdiction. As a result, various assets deemed by the South Pasadena Successor Agency to be housing assets were transferred to the South Pasadena Housing Authority, including the parking lot at the corner of Mound and El Centro. The Successor Agency determined that the parking lot was an integral part of the Downtown Revitalization Project and key to the building of 12 units of low- and moderate-income senior housing units planned and approved for an adjacent property within the project area. On February 1, 2012, the City transferred the property to the Housing Authority with City Resolution No. 7213 SA (Housing Authority accepted the transfer with Housing Authority Resolution No. 2012-04).

On June 27, 2012, Assembly Bill No. 1484 (AB 1484) was adopted in order to clarify procedural and legal issues related to the enactment of Assembly Bill No. 26. AB 1484 imposed new requirements upon successor agencies and implemented new rules of conduct with respect to audits, repayment of tax increment, and reporting of enforceable obligations. AB 1484 also sets forth the process by which the State may verify the outstanding obligations of a former redevelopment agency and authorize its successor agency to wind down the former's affairs. Among other things, AB 1484 required that the Successor Agency and Housing Authority submit documentation and a list of assets transferred to the Housing Authority. Such a list was submitted to the Department of Finance and other required agencies on August 1, 2012.

Housing Authority. Although the documents related to the transfer demonstrated that the parcel involved was long planned as an integral part of the Downtown Revitalization Project and was currently being used as a parking lot, with approved plans and permits to continue that use, partly in conjunction with the planned development of low-and moderate-income senior housing units, the Department of Finance disallowed the transfer and directed that the property be transferred back to the Successor Agency on March 2, 2013.

While the Housing Authority does not agree with the Department of Finance's determination, it transferred the Property back to the Successor Agency for disposition in accordance with the provisions of AB 1484 on March 20, 2013 (Housing Authority Resolution No. 2013-01). The Successor Agency accepted the transfer on March 20, 2013 (Successor Agency Resolution No. 2013-04).

Another significant change under AB 1484 is the change in the manner in which successor agencies may dispose of real property. For example, insofar as transfers of real property to a private party, successor agencies are only able to do so after receiving a "finding of completion" (only issued by the State Department of Finance after the successor agency has gone through a multi-step process of audits and remittance of unobligated funds) and adopting a long-range property management plan. However, insofar as properties acquired for governmental use (e.g., parks, fire stations, police department buildings, parking lots), there is no similar requirement that a "finding of completion" be obtained before transfer to the appropriate local agency.

Discussion:

The subject property with Assessor's Parcel Number 5315-003-901 (the Property) is a parking lot located at the northeast corner of Mound and El Centro in the City of South Pasadena. The Property was acquired for the purpose of eventually being improved as part of the Downtown Revitalization Project for the governmental use of a parking structure. Because of its location and the nature of its governmental use, the City of South Pasadena is the appropriate local agency to receive it. The Successor Agency has initiated a transfer of the Property to the City (Successor Agency Resolution No. 2013-05).

The Successor Agency is required to bring the matter of the transfer of the Property from the Successor Agency to the City of South Pasadena, pursuant to Health and Safety Code Section Nos. 34181(a), 34191.3, and any other applicable law, before the Oversight Board of the Successor Agency.

The Oversight Board must consider this item at a public meeting with at least 10 days' notice to the public of the specific proposed actions related to the governmental purpose transfer of property pursuant to Health and Safety Code Section 34181(f). Health and Safety Code Section 34180(j) also requires that any document submitted to the Oversight Board for its approval must also be submitted to the 1) County Administrative Officer, 2) the County Auditor-Controller, and 3) the Department of Finance at the same time as it is submitted to the Oversight Board.

Staff recommends the Oversight Board approve the attached resolution authorizing the transfer of property. Once approved, the State Department of Finance must review and approve these actions in order for the City to subsequently accept the transfer of the Property at a future City Council meeting.

There is no fiscal impact.
